COMPANY OVERVIEW

Engineering Lighting Since 1993

WHO WE ARE

Golnoor Company is a leading manufacturer of professional LED lighting solutions in the Middle East.

Since 1993, we have combined engineering expertise, integrated manufacturing and continuous innovation to develop reliable, energy-efficient lighting solutions for infrastructure, industrial, urban and sports projects across international markets.

WHY GOLNOOR

- **+30 years** of engineering and manufacturing experience
- **Integrated manufacturing,** from engineering to quality assurance
- **In-house R&D** supported by an accredited testing laboratory
- Products developed in accordance with international standards
- **Exported to more than 30 countries**
- A trusted supplier for **large-scale lighting projects**

GOLNOOR AT A GLANCE

+30 Years of Experience

+30 Export Countries

75,000 m^2 Manufacturing Facility

+1,000 Skilled Professionals

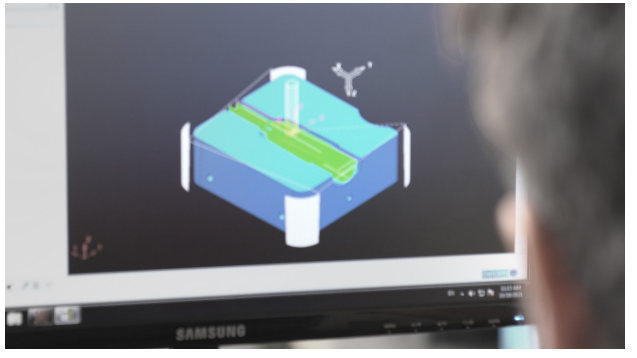
INTEGRATED CAPABILITIES

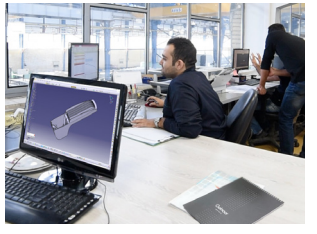
From Design to Delivery

Engineering, Manufacturing & Technical Services

Design

Engineering & Development





- Product Design
- Optical Engineering & Simulation
- Mechanical & Electronics Design
- Prototyping & Testing

Production

Integrated Manufacturing

- Die Casting
- CNC Machining
- Electronics Assembly
- Quality Control

Services

Project & Technical Support

- Lighting Design
- Installation Supervision
- Commissioning
- After-sales Support

LIGHTING DESIGN SERVICES

DIALux

Silver Member

Golnoor's lighting design team delivers lighting design and engineering services for infrastructure, industrial, sports and architectural projects. Combining engineering expertise, project experience and advanced simulation tools, including DIALux, we develop lighting solutions that optimize performance, enhance visual comfort and comply with international lighting standards.

- DIALux Plug-in
- IES & LDT Files
- BIM Objects
- Product Database

Trusted by lighting designers worldwide.
